

BILL PAYMENT AGREEMENT

Bill Payment Service

This is your bill paying agreement with Community National Bank of Okarche. You may use Community National Bank of Okarche's bill paying service, Bill Pay, to direct Community National Bank of Okarche to make payments from your designated checking (account) to the Merchants you choose in accordance with this agreement. This Agreement is in addition to the Account agreements, disclosures and other documents in effect from time to time governing your Account (the Account Rules).

"You" or "your" means each person who reads and agrees to these terms and conditions upon enrollment or is otherwise authorized to use the Service. "Merchant" means anyone, including the Financial Institution, you designate and the Financial Institution accepts as a payee.

How to Set Up Merchant Payments

When you sign onto the bill pay system, you will establish your list of Merchants by selecting the "Add" button on the "Set up Accounts and Payee" screen. You may add a new fixed payment for any Merchant but only if they are on your authorized list of payees. If the Merchant is not set up for electronic payments, the service will generate a paper check for payment. The check will carry your account number and will clear directly through your account. A unique check number will appear on your statement for easy recognition. The Financial Institution reserves the right to refuse the designation of a Merchant for any reason. The Financial Institution is not responsible if a Bill Payment cannot be made due to incomplete, incorrect, or outdated information provided by you regarding a Merchant or if you attempt to pay a Merchant that is not on your Authorized Payee list.

The Bill Paying Process

The Financial Institution will process variable payments on the business day (generally Monday through Friday, except holidays) you designate the bill is to be processed, provided the payment request is received prior to the cut-off time set by the Financial Institution, which is currently 7:15 a.m. EST. Variable bill requests received after the business day cut off time or at any time on a non-business day will be processed on the next business day. The Financial Institution reserves its right to change the cut-off time by giving you notice if it changes.

For recurring payment request, if you designate a processing date of the 28th through 31st of a month, you must select the option of "Last Business Day" for processing to be always initiated on the last calendar day of the month. Otherwise, recurring payment requests will be processed on the dates you have designated, unless such date falls on a non-business day resulting in your payment being processed on the next business day.

You must allow at least five (5) business days, prior to the due date, for each bill payment (Recurring or Variable) to reach the merchant. (It is the responsibility of the subscriber to schedule/activate recurring payments). Due to circumstances beyond our control, some Merchants take longer to post payments than others. We suggest sending your first payment eight (8) business days in advance of the Due Date. After your first payment has posted you will have a better understanding of how much time to allow for each Merchant.

You must select a Payment Date that is at least five (5) business days before the actual Due Date reflected on your Payee statement. If your actual Due Date falls on a non-business day you must select a Payment Date that is at least one business day before the actual Due Date. Payment Dates should be prior to any late date or grace period.

The Bill Payment Service will bear responsibility for any late payment related charges up to \$50.00 should a Bill Payment post after its Due Date, as long as the Bill Payment was scheduled in accordance with the guidelines described under “The Bill Paying Process” in this Agreement.

When you have scheduled a payment, you authorize the Financial Institution to debit your Payment Account and remit funds on your behalf. You certify that your Payment Account is an account from which you are authorized to make payments and any payment you make will be debited from this account. You also authorize the credit of returned payments from using the Bill Pay Service.

The Bill Pay Service will incur no liability and a Service Guarantee shall be void if the Bill Pay Service is unable to complete any payments initiated because of any of the following:

1. You have not provided the Bill Pay Service with the correct payment account information, or the correct name, address, phone number, or account information for the Merchant upon initiation of the payment; and/or
2. Circumstances beyond the control of the Bill Pay Service (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and the Bill Pay Service has taken reasonable precautions to avoid those circumstances; and/or
3. The payment-processing center is not working properly and you know or have been advised by the Bill Pay Service about the malfunction before you execute the transaction.

You agree to have available and collected funds on deposit in the account you designate in amounts sufficient to pay for all Bill Payments requested, as well as, any other payment obligations you have to the Financial Institution. The Financial Institution reserves the right, without liability, to reject or reverse a Bill Payment if you fail to comply with this requirement or any other terms of this agreement. If you do not have sufficient funds in the Account and the

Financial Institution has not exercised its right to reverse or reject a Bill Payment, you agree to pay for such payment obligations on demand. You further agree the Financial Institution, at its option, may charge any of your accounts with the Financial Institution to cover such payment obligations.

The Bill Pay Service reserves the right to select the method in which to remit funds on your behalf to your Merchant.

Any Bill Payment can be changed or canceled, provided you access the Service prior to the cut-off time on the business day the Bill Payment is going to be initiated.

Returned Payments

In using the Service, you understand that the Service and/or the United States Postal Service may return payments for various reasons, such as, but not limited to, the Service account number is not valid, the Service is unable to locate account, or Payee account is paid in full. The Service will use its best efforts to research and correct the returned payment or void the payment and credit your Payment Account. You may receive notification from the Service.

You are liable for all transactions you make or that you authorize another person to make even if that person exceeds his or her authority. If you want to terminate another person's authority, you must notify the Financial Institution and arrange to change your password. You will be responsible for any Bill Payment request you make that contains an error or is a duplicate of another Bill Payment. The Financial Institution is not responsible for a Bill Payment that is not made if you did not properly follow the instructions for making a Bill Payment. The Financial Institution is not liable for any failure to make a Bill Payment if you fail to promptly notify the Financial Institution after you learn that you have not received credit from a Merchant for Bill Payment. The Financial Institution is not responsible for your acts or omissions or those of any other person, including, without limitation, any transmission or communications facility, and no such party shall be deemed to be the Financial Institution's agent. In any event, the Financial Institution will not be liable for any special, consequential, incidental, or punitive losses, damages, or expenses in connection with this Agreement or the Service, even if the Financial Institution has knowledge of the possibility of them. The Financial Institution is not liable for any act, failure to act or delay in acting if it is caused, in whole or in part, by any cause beyond the Financial Institution's reasonable control.

Amendment and Termination

The Financial Institution has the right to change this Agreement at any time by notice mailed to you at the last address shown for the Account on the Financial Institution's records, by posting notice in branches of the Financial Institution, or as otherwise permitted by law.

The Financial Institution has the right to terminate this Agreement at any time. You may terminate this Agreement by written notice to the Financial Institution.
